SKIN PROTECTION

SKEETSAFE INSECT REPELLENT

SkeetSafe delivers long-lasting DEET protection and fast-acting wasp control, safe for industrial use and electrical environments.

DENTEC SUNSCREEN

Broad-spectrum UVA/UVB protection that's water-resistant, hypoallergenic, PABA- and fragrance-free, and designed for convenient, on-the-go use in 4 sizes & application options.

FIRST AID KITS

CSA COMPLIANT FIRST AID KITS

Stay CSA Z1220 compliant with Dentec's reliable Type 1 & 2 First Aid Kits — ideal for property management teams needing durable, workplace-ready solutions. From rugged metal cases to portable soft packs, our kits are easy to restock and built to perform in any maintenance or facility setting.

CUSTOM FIRST AID KITS

Be ready for anything with Dentec's Custom First Aid Kits — tailored solutions designed to meet the unique needs of your property or facility.

From essential bandages to hydration support, we build each kit to match your exact requirements — because safety should never be one-size-fits-all.

EMERGENCY PORTABLE EYEWASH

GRAVITYFLOW44™ PORTABLE EMERGENCY EYEWASH STATION

Ensure on-site safety and compliance with the GravityFlow44™ Portable Emergency Eyewash Station — perfect for property management teams working in areas without plumbing access. With ANSI Z358.1 compliance, hands-free activation, and a full 15-minute flush, it's the reliable, no-installation solution built for rapid response in demanding environments.

#19PE-DC-44

CSA FALL PROTECTION

Keep your team protected and compliant with the ECO Harness Kit — a complete fall protection solution featuring a universal-size harness, 6 ft lanyard with $\frac{3}{4}$ " hooks, and convenient storage pail. Lightweight, comfortable, and CSA-rated harness to 352 lbs, it's designed for all-day wear, easy adjustment, and safer worksites with built-in lanyard parks to reduce trip hazards.
